Equip & Supplies

Mr. Donald L. Dittberner
Director
Aerospace Planning Services
The Diebold Group, Inc.
1616 H Street, N. W.
Washington 6, D. C.

Dear Mr. Dittberner:

I regret that the data communications equipment information which you have requested in your letter to Mr. McCone of May 1, 1963, is classified and cannot be released for the purpose of your survey.

The Bureau of the Budget compiles data concerning the use of automatic data processing equipment in the Government, and from time to time details of our operations which are unclassified are furnished to them. I am attaching a copy of the Bureau of the Budget's 1962 Report for your information.

It would appear that your nationwide survey of current and future users of data communications equipment in both Government and industry will not be seriously affected by the exclusion of classified CIA data.

Sincerely,

Signed

L. K. White
Deputy Director

Joe:

Correct me if I am wrong
but I was under the impression that
the Bureau of the Budget collects
data of this sort from all Government
agencies. If that is the case, why
shouldn't we refer this inquiry to
BOB and make merely a courtesy
acknowledgment to Diebold.

It appears that Diebold is
asking for a great deal of informa-
tion, in fact more than we have been
willing to give BOB in the past.

Please prepare a suitable
reply for DD/S signature.
